Education

The University of Hong Kong

B.Eng. in Computer Engineering – Department of Electrical & Computer Engineering
5-Year Dual Degree Program (Hons) | 2022 & 2024 Dean's Award

Sep 2022 – Jun 2027
Hong Kong, China

The University of Hong Kong

B.B.A. in Finance – Faculty of Business and Economics
5-Year Dual Degree Program (Hons) | Hakka Student Scholarship

Sep 2022 – Jun 2027
Hong Kong, China

University of International Business and Economics

Visiting Undergraduate Student – Department of Finance
UIBE International Winter Program | With Distinction Grade

Dec 2024 – Jan 2025
Beijing, China

Hong Kong Heung To Middle School

Hong Kong Diploma of Secondary Examination 35/42
3-Year Full Tuition Scholarship | Physics Olympiad Honourable Mention Award

Sep 2019 – Jun 2022
Hong Kong, China

Professional Experience

Swire Group – Swire Resources Ltd.

AI Engineer Intern – Business Automation & Agentic AI

- Built analytics models and LLM-based automation solutions to support data-driven business decisions and operational efficiency
- Collaborated with business stakeholders to analyze workflows and design AI-driven methods using LLMs and agentic AI frameworks

Jun 2026 – Sep 2026
Hong Kong, China

BPS Global Group

AI Engineer Intern – Document Analysis & RAG Chatbot

- Conducted business analysis using SWOT and PESTEL frameworks, evaluating the potential market for new AI products
- Developed an LLM-based RAG AI agent for document classification and tender file search, improving workflow efficiency

Jun 2025 – Sep 2025
Hong Kong, China

HKUST Intelligent Graphics Lab

AI Research Intern – Deep Learning & Motion Synthesis

- Explored generative AI applications in robotics, game/film visual effects, integrated world model and efficient AI computing
- Applied machine learning and deep learning for digital human synthesis, contributing to multimodal video generation research
- Supervised by Prof. Yuan Liu

Jun 2025 – Sep 2025
Hong Kong, China

HKU Computer Graphics and Visualization Lab

AI Research Intern – Digital Human & Motion Capture

- Collected human motion datasets using Vicon mocap systems for 3D motion visualization and generative AI model training
- Performed dataset annotation and SMPL model processing to support machine learning process for human motion synthesis
- Supervised by Prof. Taku Komura

May 2024 – Apr 2025
Hong Kong, China

SmartAge Intelligence Ltd.

Data Scientist Intern – UI Design & Data Visualization

- Designed front-end UI using Figma for SmartAge's telenursing platform, focusing on elderly-friendly interfaces and experience
- Performed data preprocessing and visualization on healthcare datasets to support AI model development for elderly care analytics

Dec 2023 – Jan 2024
Hong Kong, China

Research Publications

MotionPersona: Characteristics-aware Locomotion Control

M. Shi, W. Liu, J. Mei, W. Tse, X. Chen, T. Komura
Arxiv Preprint 2025 arXiv:2506.00173

InterAct: A Large-Scale Dataset of Dynamic, Expressive and Interactive Activities between Two People in Daily Scenarios

L. Ho, Y. Huang, D. Qin, M. Shi, W. Tse, W. Liu, J. Yamagishi, T. Komura
Symposium on Computer Animation (SCA) 2025, Canada

Activities & Leadership

Engineering and Computer Science Courses Teaching Assistant

- Assisted in teaching undergraduate courses by developing course materials, leading tutorials, and mentoring student projects

Hong Kong Hakka Associations Part-Time Volunteer

- Participated as a part-time volunteer to organize Hakka events and promote traditional Hakka culture in the Greater Bay Area

China Volunteer Teacher Program "Beyond the Pivot"

- Worked as a summer volunteer teacher in Yunnan, China, helped to teach science classes to primary students in rural areas

The China Vision ESG Summer & Winter Programs

- Participated in ESG programs across mainland China, focusing on cultural heritage, sustainability, and community impact

Skills & Interests

• **IT:** Python, C++, SQL, HTML, Git, Linux, PyTorch, Sklearn
• **Tools:** Vicon, Blender, Figma, Canva, Word, PowerPoint, Excel

• **Interests:** Guitar, drawing, basketball, fencing, pop music
• **Languages:** English (IELTS 7), Mandarin (native), Cantonese (native)
